

Freure Homes Update June 23 2020

Good afternoon to all, please see below as there are a few items to view.

Main thing that has changed here now with FREURE HOMES ONLY at this time is, you will only be required once a week , on start date , to fill in Covid 19 form. Previously was required daily.

IF you have a crew that cannot practice social distancing while working together they are to wear masks when possible.

Once a week sign in now for the covid-19 sign in forms . Please have these completed every Monday and try to complete them digitally if possible. If not there are sign in locations on site.

Keep the site clean of materials.

Please keep up with removing materials and garbage once you have finished in a home.

Any questions of concerns please do not hesitate to contact me

Be safe

Regards
