

JOBSITE COVID-19 PREVENTION MEASURES

Please help keep our jobsites, staff, trades, team members and clients safe and healthy.

- Complete the Public Health Covid-19 questionnaire.
- Wash hands frequently and well or use hand sanitizer with at least 80% alcohol each time prior to entering the jobsite.
- Wear a non-medical mask at all times while inside.
- Avoid touching your face and cover your mouth and nose if you cough or sneeze.

- Practice physical distancing of at least 6 feet while in shared spaces if possible. Rammik will minimize the number of trades at one workspace.
- If possible, have project related discussions outdoors or over the phone.

- Avoid sharing tools and equipment and the number of surfaces touched while travelling from the entrance to the project space.

- Before you begin work and before you leave the jobsite for the day, please disinfect frequently touched surfaces.
- Do your part to keep the portable toilets clean.

If you have any questions about protocols on this jobsite please contact Grace at grace@rammik.com or 519-831-7632.

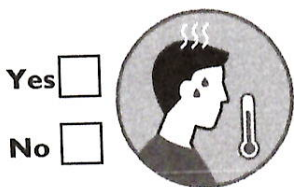

Thank you for doing your part!

STOP COVID-19

Please complete the following questions.

Name: _____
Date: _____ Time: _____

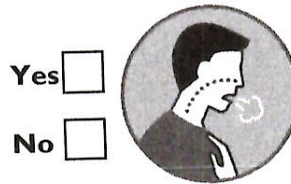

Do you have any of the following:

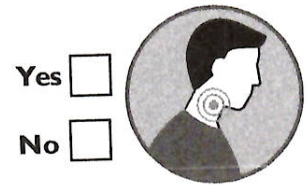

Fever (= or >37.8°C)

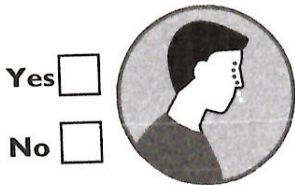

Cough

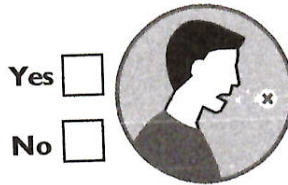

Difficulty breathing

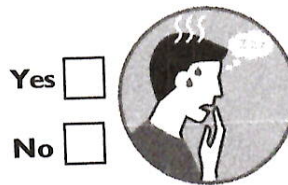

Sore throat, trouble swallowing

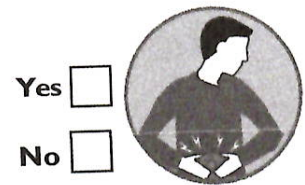

Runny nose

Loss of taste or smell

Not feeling well

Nausea, vomiting, diarrhea

Yes In the past 14 days, have you been in close contact with someone who is sick or has confirmed COVID-19?
No

Yes Have you returned from travel outside Canada in the past 14 days?
No

If you answered YES to any of these questions, please go home & self-isolate right away. Call your health care provider or go to an assessment centre to find out if you need a COVID-19 test.
